

Make your own Tick and Tock Finger puppets!

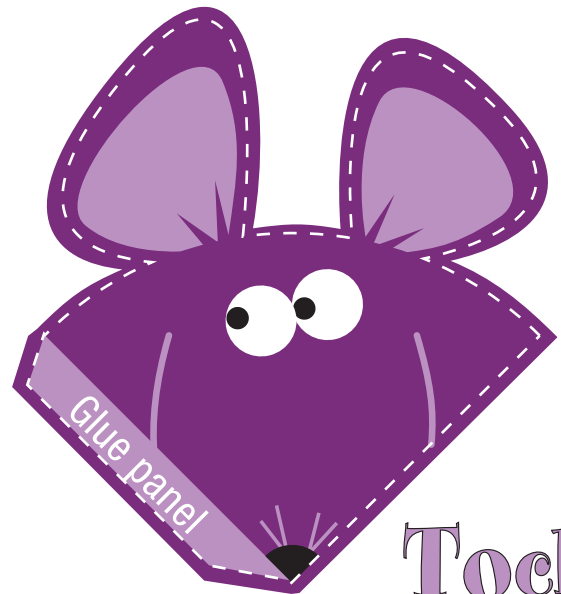

Have fun with Tick and Tock finger puppets!
Follow the instructions to make them!

You will need...
Scissors and Glue.
REMEMBER ask an
adult to help you cut
out the mice.

Tick

Tock

- 1** Cut out the mice along the dotted white lines - **being careful not to cut their ears off!**
- 2** Gently put some glue on the glue panel making sure you have covered it.
- 3** Roll the mouse into a cone and stick the glued panel underneath the other side to fix it together and bend the ears slightly forward - now you are ready!
